# DAVID PAPP

## DEVELOPER INTERN

## PROFILE

I'm David Papp, 22 years old, a passionate student of Multimedia Design at Business Academy Aarhus.

I moved to Denmark from Hungary in 2019 to join my interests in the IT and design areas.

I'm innovative and confident in my work. When working on a project I'm perfecting every detail until I find it satisfactory. I'm self-sufficient, but prefer to work in a dynamic group environment.
